## NON-DUAL-USE STATEMENT

### **Definition “Dual-use items”**

Dual-use items are goods, software and technology that can be used for both civilian and military applications. The EU controls the export, transit, brokering and technical assistance of dual-use items.

### **Non-dual-use statement**

All products developed, manufactured and/or sold by TST Sweden AB's comply with the requirements of the Regulation (EU) No 2021/821.

We hereby declare that no export licenses for dual use goods are required for any of TST Sweden AB's products.

In the event of a change to a product not approved by us, this declaration shall lose its validity.

Date of issue: 2023-08-17
