

Issued by Notified Body No. 0402 according to Regulation (EU) 2016/425 annex V, regarding:

Protective clothing - Clothing to protect against heat and flame

Issued to

TST Sweden AB

Segloravägen 22, SE-504 64 BORÅS, Sweden

Product description and product name

TST Molten protection.

Additional protective clothing, Coat foot- and knee-length for protection against heat and flame. The products comply with EN ISO 11612:2015 A1, B1 C1, D3, E3, F1 on front side of the garments only. The pocket on the backside of the garment does not comply with EN ISO 11612:2015 clause 4.3 and 4.5 b). By that reason the garments are only to be used in specific environments where protection of molten metal splash of the front part of the body is required. For details, see appendix.

Technical documentation

The manufacturer's technical file, latest dated 2023-10-24.

Certificate

RISE Research Institutes of Sweden AB, Notified Body no. 0402, hereby certifies that the manufacturer's technical file and the product have been inspected in accordance with the procedure described in annex V to regulation (EU) 2016/425 and found to fulfil the requirements. The product is judged to belong to category III according to annex I to the regulation. It is a prerequisite that manufactured products, or the manufacturing process must be inspected in accordance with annex VII or VIII of the Regulation (EU) 2016/425. The EU Type-Examination is based on a type test in accordance with EN ISO 11612:2015. RISE Certification Rule SPCR 309 issue 2022-01-24 has been applied.

Miscellaneous

The manufacturer's information in Swedish on use, cleaning, storage etc. has been inspected and found to fulfil the relevant requirements of the regulation. This information must be available in the language used where the product is to be sold.

Validity

The certificate remains valid as long as the conditions laid down in the harmonized standard(s) in reference are not modified significantly or at the latest until 2028-07-11. The validity of this certificate can be verified by RISE.
